

Dear Doug,

Hi it's John and I'M BACK!

Again as in the past few years I will be participating in the Walk for Alzheimer's, to raise funds so the society can continue their "life saving" work.

I use the term "life saving" because when someone is diagnosed with Alzheimer's those affected are not just the one diagnosed, everyone needs saving. When my wife was diagnosed I was able to take advantage of some of the services the society offered to help me cope.

The loneliness and despair is tough for everyone and helping people to deal with it comes at a cost. Anything you can do to show your support for the Alzheimer's Society is needed, welcomed and appreciated!

You can donate by clicking the link below.

Thanks
John Evenden

P.S. If you have concerns this is a scam I invite you to contact any Alzheimer's society or any office of IG Wealth Management, the major sponsor.
