### **Our Story - Ajax Seniors Citizens Friendship Centre**

Our story started back in 1960 by a group of ladies that wanted a place to meet with their friends and chat.

The club was officially opened on October 15<sup>th</sup>, 1984.

Over the years we have grown with each year getting more members and more activities.

1995 we had 700 members. On behalf of the members, we contributed to the Ajax Hospital, Salvation Army and Canadian Legion, just to list a few, for a total of \$300,000.00.

We are financially independent. Funding comes from membership fees and fundraising.

We take pride in donating to the local organizations. Perhaps the most important thing that the Friendship Centre provided this year (as in many others) has been a comfortable, welcoming environment in which seniors can enjoy the fellowship of other seniors.
